## COURSE PROVISION AT CONNAUGHT ACADEMY

### About us:

Connaught Academy was established in 2001 to address the national shortfall of Mechanical Engineering Services (MES) engineers and falling skill levels within the Plumbing and Heating Industry. Formerly known as BST, it has become one of the UK's foremost independent accredited training centres delivering a wide range of plumbing, gas, electrical, H&S and compliance programmes to over 2000 students a year. Connaught Academy's highly motivated training and assessment staff are constantly striving to ensure that industry needs are quickly identified and bespoke solutions implemented. It also run qualifications to support professional development and enhance the skills of all employees, delivering quality courses to train individuals and companies of any size.

**Connaught Academy are the Construction Excellence achievers for the UK 2008**
